PROJECTS

- Portfolio** :To demonstrate my skills to potential employers, I have compiled a portfolio of my work and other writing. JavaScript, HTML, and CSS were used to create this website.
- Banking System**:Developed a OOPS project using C++ concepts. A banking system in which a user can create his/her account and can perform certain operation such as deposit money,withdrawal, checks balance and close his/her accounts.
- Keeper App**:Developed a Keeper React Js. The app can be useful to keep a track of your day-to-day works to do. Notes can be created and deleted.

EXPERIENCE

Virtual Internship

JP Morgan Chase Co.

May 2020 – August 2020
